MINISTER OF RURAL DEVELOPMENT (SHRI SHANTA KUMAR)

(a) to (g) A Statement is laid on the Table of the House.

Statement referred to in Reply to Parts (a) to (g) of the Lok Sabha Starred Question No. 138 due for Answer on 23.07.2002.

Some States have not been able to draw the full Central Allocations under the Schemes of the Ministry of Rural Development during the last three years and so far in the current year. The proportion of release of Central funds to allocations under the Schemes (including EAS), State-wise, during the last three years and the current year is shown in the Annexure.All States and Union Territories were advised, during the year, 2001-2002, to avail the Central funds under the Programmes by 28th February, 2002.

2. The funds allocated to States and Union Territories in a financial year under various Programmes are to be availed by them in the same year. The savings resulting from non-release of funds to certain Districts under different Programmes can be considered for re-allocation to better-performing Districts towards the end of the financial year.

3. It has been urged upon the State Governments and Union Territory Administrations to regularly interact with the Ministry so as to ensure that the funds for different Programmes are duly claimed and expenditure incurred in time. Emphasis is also laid on the quality of implementation of the Programmes. The States and Union Territories have been advised to urgently implement the Four Point Strategy of Creating Awareness about the Programmes, Transparency, Peoples' Participation and Accountability through Social Audit by the Gram Sabhas, for the benefit of the rural poor. The performance of the States and Union Territories is periodically reviewed by the Ministry through monitoring mechanisms, including reviews by the Minister of Rural Development, Meetings of the Performance Review Committee, the Area Officers' Scheme, Progress Reports and District level Monitoring with a view to bringing about more effective implementation and better utilization of the available funds.
